Safety First for Baby

A baby means a father and a mother and a family in a home. But the baby means, too, all the need of baby things.

The manufacturers of baby cribs, carriages and baby furniture always keep a benevolent eye on the stork. There has been inaugurated this year a nation wide movement designated the first week of March as "Baby Week." Accordingly, we wish to dedicate this baby welfare period to the happiness, comfort and well-being of your baby and are primed with the best and latest baby furnishings to be had. Back of our baby furnishings is our honestly-merited reputation for handling only safe, dependable merchandise. The "best baby in the

world" is entitled to the best comforts in the world-that you all agree. Even in the cheapest of our line you will be assured of getting the very best to be had for the money. Aside from baby's health and comfort the modern crib, the high chair, etc., will be a great help to you. And anything that makes Baby happy and helps Mother certainly is a good "buy." We are waiting to show you our newest patterns in comfort cabs, staunch go-carts, restful cribs and practical high chairs. Will you come in? To-
